

**General Terms and Conditions of Sale and Delivery of Jewometaal Stainless Process B.V., Quebecstraat 7, 3197 KL Botlek Rotterdam, the Netherlands.**

**1. General provisions**

1.1. These General Terms and Conditions of Sale and Delivery of Jewometaal Stainless Process B.V., Quebecstraat 7, 3197 KL Botlek Rotterdam, the Netherlands apply exclusively to businesses, not being consumers, within the meaning of Section 6:236 and 6:237 of the Dutch Civil Code i.e. natural persons or legal entities, which, in respect of the purchase of goods, are acting in the performance of their commercial or independent professional activities ("Purchasers").

1.2 These General Terms and Conditions of Sale and Delivery apply exclusively to all contracts concluded between ourselves and the Purchaser concerning the delivery of goods. Differing terms and conditions of purchase or other differing terms and conditions of the Purchaser shall not apply unless we have expressly acknowledged them in writing. Our silence regarding such differing terms and conditions shall not be deemed in particular to be consent, and this shall also apply to future contracts.

**2. Quotation, conclusion of contracts, scope of delivery**

2.1 Our quotations are without engagement and not binding. If the Purchaser places a delivery order based on quotations without engagement, a contract shall be concluded, also in day-to-day business, only upon our written order confirmation if the Purchaser requests such confirmation. In all other cases, the contract shall be concluded by delivery of the goods. If an order confirmation is provided, this alone shall govern the content of the contract, in particular the scope of delivery and date of delivery.

2.2 Prices and performance data and other declarations or assurances shall be binding for us only if we have made or confirmed them in writing.

2.3 Any documents, drawings, details of weight, samples etc. enclosed with our quotation are only determined approximately. In particular, these are neither a guarantee nor is hereby a procurement risk assumed unless this is expressly indicated in writing as "guaranteed by law" resp. "assumption of a procurement risk". Any reference to standards and similar technical regulations shall also not indicate a property of our products unless this is expressly indicated as a "property of the product".

2.4 We shall only be obliged to deliver from our own stock (obligation to deliver from stock).

2.5 Estimates of cost, drawings and other documents provided by us shall remain our property. They may not be made accessible to third parties without our prior consent.

**3. Quality, dimensions and weights**

3.1 Quality and dimensions are determined by the relevant DIN, NEN or ISO standards resp. material numbers unless otherwise agreed. If no DIN, NEN or ISO standards or material data sheets exist, the corresponding European Norms shall apply in the absence of standards customary in the trade.

3.2 Weights shall be determined by the weighing performed by us or our supplier. The weight shall be proved by presenting the weighting certificate. If admissible by law, weights can be determined without weighing according to DIN, NEN or ISO. This shall not affect the increases and reductions (excess or short delivery of up to 10 %) customary in the steel trade of the Netherlands.

3.3 The number of units or bundles stated in the advice of dispatch shall not be binding for goods calculated by weight. If it is not customary to weigh goods individually, the total weight of the consignment shall accordingly apply. Differences in relation to calculated individual weights shall be proportionately allocated to them.

**4. Prices**

4.1 Prices are euro prices unless otherwise stated and do not include turnover tax. This shall be invoiced separately at the respectively valid rate in accordance with respectively applicable tax provisions.

4.2 Unless otherwise agreed in writing, prices are ex works or ex our warehouse (EXW Incoterms 2010) and do not in particular include packaging and shipping costs and freight.

**5. Terms of payment, retention, set-off**

5.1 Unless otherwise agreed in writing, all payments shall be made free paying office at the latest within 30 days of the invoice date without deduction. Terms of payment shall be deemed met if the amount is at our disposal within the payment deadline.

5.2 In the event of default in payment, default interest of 9 percentage points above the respective base interest rate of the European Central Bank when the claim for payment becomes due shall be charged. The right to assert damage in excess of this is reserved.

5.3 The Purchaser shall have no right of retention unless it is based on the same contractual relationship. Set-off against disputed claims or claims which have not been recognised by declaratory judgment shall be excluded. We shall have the right to avert the exercise of a right of retention by provision of security, also by guarantee.

5.4 We shall have the right to request the Purchaser to provide securities or advance payments to an appropriate extent for our delivery.

5.5 We shall have the right to set off claims, which the Purchaser or its affiliated companies are entitled to against us, Franz Haniel & Cie. GmbH or companies affiliated with Franz Haniel & Cie. GmbH, against our own claims, claims of Franz Haniel & Cie. GmbH or claims of companies affiliated with ourselves or Franz Haniel & Cie GmbH. Companies affiliated with ourselves or Franz Haniel & Cie GmbH within the meaning of this provision are such companies in which we or Franz Haniel & Cie GmbH hold a majority interest either directly or indirectly or such companies which hold an interest in ourselves. If required, we shall advise the Purchaser at first request the companies which are affiliated with ourselves and Franz Haniel & Cie GmbH.

**6. Retention of title**

6.1 We shall retain title to the goods (goods subject to retention of title) until all claims against the Purchaser, to which we are entitled, have been met even if payment has been made for individual goods. Pledging of goods subject to retention of title or shall not be admissible.

6.2 The Purchaser now already pledges to us, by way of precaution and as a security for the payment of all of our current and future claims for payment of monies against the Purchaser, the future claims against its customers arising from resale or rental with disclosure to such customers of the goods subject to retention of title in the ordinary course of business. Subject to their establishment, the Purchaser hereby states to be authorized to create such pledge and that there is no encumbrance over the claims, other than the pledges or retention of title in favor of us. Such pledge shall also cover balance claims resulting from existing current account relationships or from the termination of such relationships of the Purchaser with its customers. If the goods subject to retention of title are resold or rented together with other items, without a unit price being agreed for the goods subject to retention of title, the Purchaser shall pledge to us, with priority over the remaining claim, that portion of the total price claimed resp. the total rent which corresponds to the value of the goods subject to retention of title invoiced by us. The Purchaser shall be authorised to collect the pledged claims from resale or rental until this is revoked by us. The Purchaser shall not, however, have the right to dispose of the pledged claims in another way e.g. by assignment. The Purchaser shall immediately disclose the pledge to the customer in writing and shall immediately surrender to us a copy thereof and the documents required to assert our rights against the customer e.g. invoices and shall provide the required information. All costs of collection and any intervention shall be borne by the Purchaser.

6.3 If the Purchaser processes the goods subject to retention of title, transforms them or combines them with other items, they shall be processed, transformed or combined for us. We shall become direct owner of the article manufactured by processing, transformation or combination. If this is not possible for legal reasons, we and the Purchaser shall agree that we are the owner of the new article at all times during and after processing, transformation or combination of the goods. The Purchaser shall keep the new goods for us with the due diligence of prudent commercial judgment. Goods created from processing, transformation or combination shall be deemed goods subject to retention of title. Where a new good is processed, transformed or combined with other items that do not belong to us, we shall have co-ownership of the new goods in the amount of the portion resulting from the ratio of the value of the processed, transformed or combined goods subject to retention of title to the new article. If the new good is sold or rented, the Purchaser herewith pledges to us by way of precaution its claim with all

ancillary rights against its customer arising from the sale or rental without the need for special declarations at a later date. The pledge shall only apply, however, in the amount of the value of the processed, transformed or combined goods subject to retention of title invoiced by us. The portion of the claim pledged to us shall have priority over the remaining claim.

6.4 If the value of the security for our claims against the Purchaser from the ongoing business relationship totals more than 20 %, we shall be obliged, at the Purchaser's request, to release securities, to which we are entitled, at the Purchaser's option.

## **7. Delivery, force majeure, delivery subject to own receipt of delivery, storage**

7.1 Specified delivery times are not binding unless otherwise agreed in writing. If delivery dates and periods are not binding or approximate (ca., about etc.), we shall use our best efforts to comply with them. Delivery periods agreed as binding in writing shall commence upon receipt of the order confirmation by the Purchaser but not before all details about the execution of the order have been clarified and all other requirements to be fulfilled by the Purchaser are met. This shall accordingly apply to delivery dates. Deliveries can be made before the delivery period ends.

7.2 If we do not receive deliveries or services from our sub-contractors, for reasons for which we are not responsible, to enable us to provide deliveries or services which are due from us under the contract, despite due and sufficient stocking in terms of quantity and quality under our delivery or service agreement with the Purchaser, for reasons for which we are not responsible, or they are incorrect or not in due time, or events of force majeure occur of significant duration (i.e. of longer than 14 calendar days), we shall notify the Purchaser in writing or text form in due time. In such case, we shall have the right to postpone the delivery for the duration of the obstruction, or to rescind the contract in whole or in part for that part not yet fulfilled if we have met our foregoing duty to provide information and have not assumed a procurement risk. Events of force majeure are strikes, lock-outs, official intervention, energy shortages and shortages of raw materials, transport bottlenecks through no fault of our own, company obstructions through no fault of our own, e.g. due to fire and water damage, and damage to machinery, and any other obstructions which, when considered objectively, were not caused by our negligence.

7.3 If a delivery and/or service date or delivery and/or service period is agreed with binding force and the agreed delivery or service date or the agreed delivery or service period is exceeded due to events according to paragraph 7.2 above, the Purchaser shall have the right, after a reasonable extension of time has elapsed without success, to rescind the contract for that part of the contract not yet fulfilled. The customer shall have no further claims, in particular claims for damages, in this case, if we have met our foregoing duty to provide information. The above provisions pursuant to paragraph 7.2, sentence 1 and 2, shall apply accordingly if the Purchaser cannot be objectively expected to adhere further to a fixed delivery and/or service date for the reasons stated in paragraph 7.3, also if this is not contractually agreed.

7.4 If shipment is delayed at the Purchaser's request or for reasons, for which the Purchaser is responsible, we shall have the right to store the goods, beginning upon expiry of the reasonable period set in writing or text form in the notice that the goods are ready for shipment, at the Purchaser's risk of loss and deterioration of the goods, and to invoice the costs incurred for this at 0.5 % of the net invoice amount of the stored goods for each full week or part thereof (up to a maximum amount of 10 % of the net invoice amount for the stored goods). The stored goods shall only be insured at the Purchaser's specific request. This shall not affect the assertion of further rights. The Purchaser shall have the right to prove that no costs or considerably lower costs were incurred.

## **8. Radioactivity**

8.1 The Purchaser shall be obliged to monitor incoming goods with state-of-the-art radioactivity measuring devices before the material is mixed with material from other suppliers.

8.2. If the Purchaser determines that relevant limit values are exceeded, the Purchaser shall notify us immediately in writing and give us the opportunity to carry out our own measurements. If our measuring confirms that relevant limit values are exceeded, we shall assume the costs of this measuring and take back the goods in question at our expense. The requirements of para. 10 and 11 below shall furthermore apply.

## **9. Passing of risk**

9.1 The risk of accidental loss or accidental deterioration of the goods shall pass to the Purchaser upon the delivery item being handed over by us to the forwarding agent, carrier or third parties otherwise appointed to handle the shipment. This shall also apply if partial deliveries are made or we have taken over other services (e.g. shipment or installation).

9.2 If shipment is delayed due to circumstances for which the Purchaser is responsible or the shipment is sent at the Purchaser's request at a date which is later than the agreed delivery date, the risk shall pass to the Purchaser from the date on which the notice is sent stating that the delivery is ready for shipment for the period of the delay. We shall be obliged at the Purchaser's request and expense to take out the insurances requested by the Purchaser.

9.3 Deliveries shall not be insured against theft, breakage, transport and fire damage without specific request by the Purchaser. If the Purchaser requests the conclusion of an insurance policy, this shall be concluded at the Purchaser's expense. The Purchaser shall provide any cooperation required.

## **10. Claims for defects**

10.1 The Purchaser shall inspect the goods immediately upon receipt if this is expedient in the ordinary course of business and, if a defect is found, shall notify us immediately in writing. Negotiations on any notices of defects shall not constitute our waiver of the objection that the notice was not in due time, unfounded in fact or otherwise insufficient.

10.2 If the Purchaser fails to provide this notice, the goods shall be deemed approved unless it is a defect which could not be detected in the course of a normal inspection. Section 6:89 of the Dutch Civil Code shall furthermore apply.

10.3 Obvious damages sustained during transport or other defects recognisable already at the time of delivery must also be confirmed by the deliverer's signature on the respective transport document when delivery is accepted. The Purchaser shall ensure that a corresponding confirmation is provided.

10.4 Supplementary performance shall be provided at our option by remedying the defect or supplying an article free of defects. If supplementary performance fails, the Purchaser shall have the right at its option to make a reduction or rescind the contract. This shall not affect the right to assert damages according to paragraph 11 of these General Terms and Conditions of Sale and Delivery.

10.5 Claims for defects shall become statute-barred within one year after the risk passes pursuant to paragraph 9 of these General Terms and Conditions of Sale and Delivery. This shall not apply in the cases pursuant to paragraph 11.2 of these General Terms and Conditions of Sale and Delivery.

## **11. Liability**

11.1 We shall not be liable, in particular not for claims by the Purchaser for damages or reimbursement of expenses, for whatever legal reason, and/or for breach of duty from the obligation and tort.

11.2 The above exclusion of liability shall not apply

- in the case of own intentional or grossly negligent breach of duty and intentional or grossly negligent breach of duty by legal representatives or vicarious agents;
- in the case of violation of material contractual obligations; material contractual obligations are obligations, the fulfilment of which determines the contract, and on which the Purchaser may rely;
- in the event of injury to life, limb and health, also caused by legal representatives or vicarious agents;
- where we have assumed a guarantee for the quality of the goods or the existence of an outcome of performance, or a procurement risk;
- in the case of liability falls under Sections 6:185 up until and including 6:193 *BW* (Dutch Product Liability Act) or other mandatory statutory liability.

11.3 If we or our vicarious agents are responsible only for slight negligence and none of the cases specified in paragraph 11.2 in bullet points 1, 3, 4 and 5 above exist, our liability shall be limited in amount, also in the case of violation of material contractual obligations, to typical and foreseeable damages at the time the contract was concluded.

11.4 Any further liability shall be excluded.

11.5 Exclusion resp. limitation of liability pursuant to paragraph 11.1 to 11.4 above and paragraph 11.6 shall apply to the same extent for the benefit of our executive and non-executive employees and other vicarious agents as well as our sub-contractors.

11.6 If the Purchaser is entitled to damage claims according to this paragraph 11, these shall become statute-barred upon expiry of the statutory limitation period applicable to the warranty claims for defects pursuant to paragraph 10.5 of these General Terms and Conditions of Sale and Delivery. Paragraph 11.2 of these General Terms and Conditions of Sale and Delivery shall apply accordingly.

11.7 There is no connection between the reversal of the burden of proof and the foregoing provisions.

## **12. Export control / Product approval / Import regulations**

12.1 In the absence of any contractual agreements to the contrary with the Purchaser, the delivered goods are intended for placement on the market for the first time within the Netherlands or, in the case of delivery agreed outside the Netherlands, within the agreed country of first delivery (*first country of delivery*).

12.2 The export of certain goods by the Purchaser from there may be subject to authorisation e.g. because of their nature or intended purpose or final destination. The Purchaser itself shall be obliged to check this and to comply strictly with the relevant export regulations and embargos for these goods, especially of the European Union (EU), the Netherlands resp. other EU Member States and, if applicable, the USA or Asian or Arab countries and all third countries involved, if the Purchaser exports the products supplied by us or has them exported.

12.3 The Purchaser shall in particular check and ensure, and, on request, provide evidence to us that

- the goods provided are not intended for use in armaments, nuclear facilities or weapon technology;
- no companies and persons specified on the US Denied Persons List (DPL) are supplied with original US goods, US software and US technology;
- no companies and persons specified on the US Warning List, US Entity List or US Specially Designated Nationals List are supplied with original US products without relevant authorisation;
- no companies and persons are supplied who are specified on the List of Specially Designated Terrorists, Foreign Terrorist Organizations, Specially Designated Global Terrorists or the EU Terrorist List or other relevant negative lists for export controls;
- no recipients are supplied that violate other export control regulations, especially of the EU or the ASEAN countries;
- all early-warning indications of the competent Dutch or national authorities of the respective country of origin of the delivery are complied with.

12.4 Goods supplied by us may only be accessed and used if the above-mentioned checks and assurances have been carried out resp. provided by the Purchaser; otherwise the Purchaser must refrain from carrying out the intended export and we shall not be obliged to perform.

12.5 Where goods supplied by us are passed on to third parties, the Purchaser undertakes to oblige such third parties in the same way as specified in para. 12.1-12.4, and to notify them of the need to comply with these legal provisions.

12.6 The Purchaser shall at its own expense ensure, where delivery outside the Netherlands is agreed, that the goods to be supplied by us comply with all national import regulations of the first country of delivery unless we have expressly assumed this obligation.

12.7 The Purchaser shall indemnify us against all damages and expenses resulting from the negligent breach of the foregoing obligations pursuant to para. 12.1-12.6.

## **13. Final provisions**

13.1 Contracts concluded with us may only be transferred to third parties with our written consent. This shall also apply to claims arising from the contracts concluded with us.

13.2 Amendments to and modifications of these General Terms and Conditions of Sale and Delivery shall only be valid when given in writing. This shall also apply to this requirement of written form itself. This shall not affect the precedence of an individual agreement that contains deviating clauses.

13.3 Place of performance for deliveries and payments is Botlek, Rotterdam.

13.4 Any disputes arising between ourselves and the Purchaser and in connection with the contract shall be settled exclusively before a competent [Rotterdam] court of law. We shall also have the right at our option to bring an action against the Purchaser at its place of general jurisdiction.

13.5 The law of the Netherlands shall apply, to the exclusion of the UN Sales Convention (CISG).

Status: 11/2016
